Graphic Design, Referenced: A Visual Guide to the Language, Applications, and History of Graphic Design. It is both painful and cathartic to admit this in print and in the very first sentence of our introduction: This book is one of the hardest, most challenging, and most stressful projects we've undertaken. One part was simply the physical and logistical implications we experienced- writing close to 115,000 words, gathering more than 2,500 images and their respective release forms, and ...
